

Operational Manual for Downloading data from HMIS 2.0 portal

October, 2021

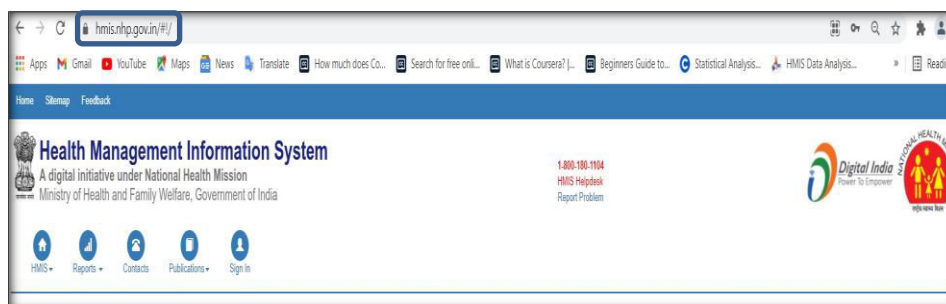

Health Management Information System

A digital initiative under National Health Mission
Ministry of Health & Family Welfare, Government of India

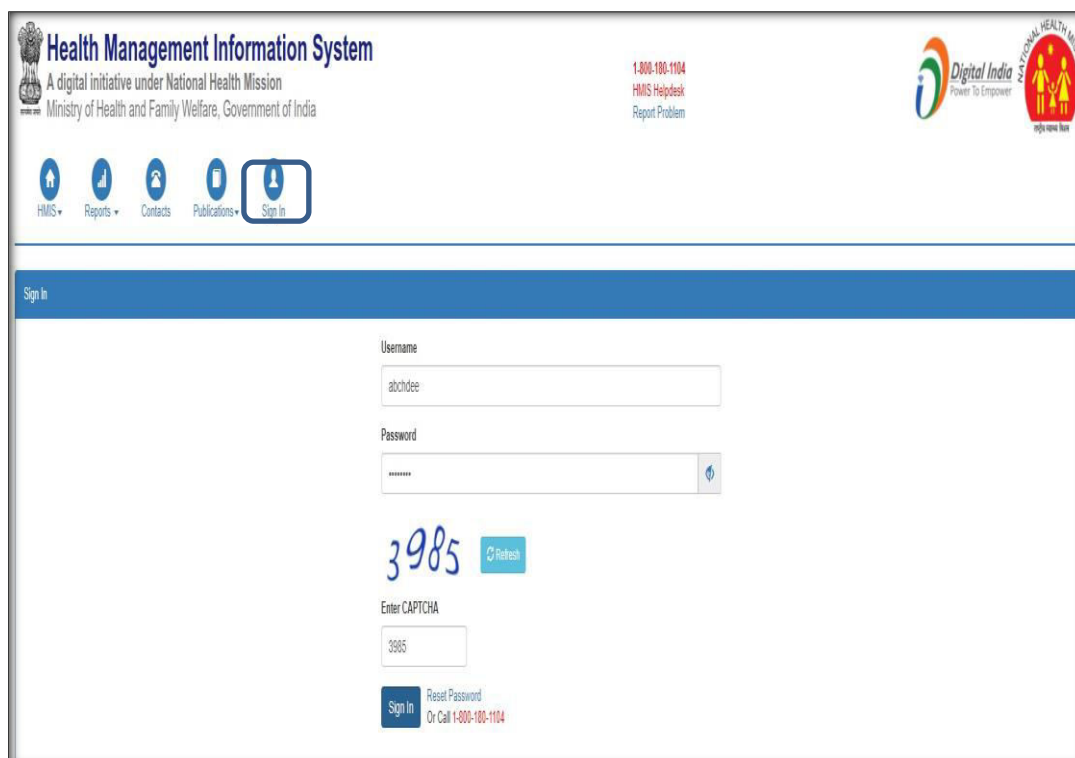

Steps to open HMIS 2.0 portal and sign in

STEP 1: Select the web browser desktop application from the “Start” menu.

STEP 2: Following URL <https://hmis.nhp.gov.in/#/> to be specified in the address bar of web browser

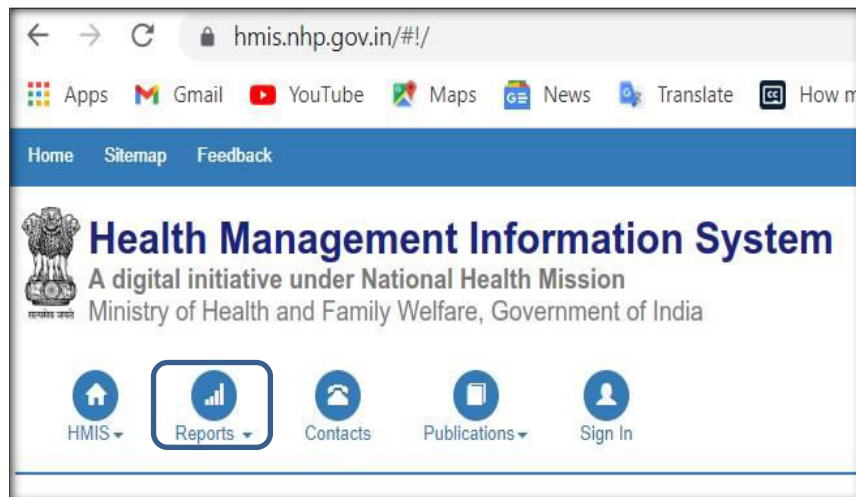

STEP 4: Enter **valid user credentials [Username and Password]** as per the organization setup [national/ state/ district user] and displayed CAPTCHA code in the respective textboxes at the sign in window.

The screenshot shows the sign-in window of the HMIS 2.0 portal. The page header is identical to the previous screenshot. The main content area is titled 'Sign In' and contains a form with the following fields: 'Username' (containing 'abc123456'), 'Password' (masked with dots), and a CAPTCHA field (containing '3985'). A 'Sign In' button is located at the bottom left of the form. A 'Reset Password' link and a phone number '1-800-100-1104' are also visible at the bottom right.

Steps required to download relevant data from HMIS 2.0 portal

STEP 1: After signing in as national/ state/ district user; **click the reports tab** on HMIS 2.0 homepage

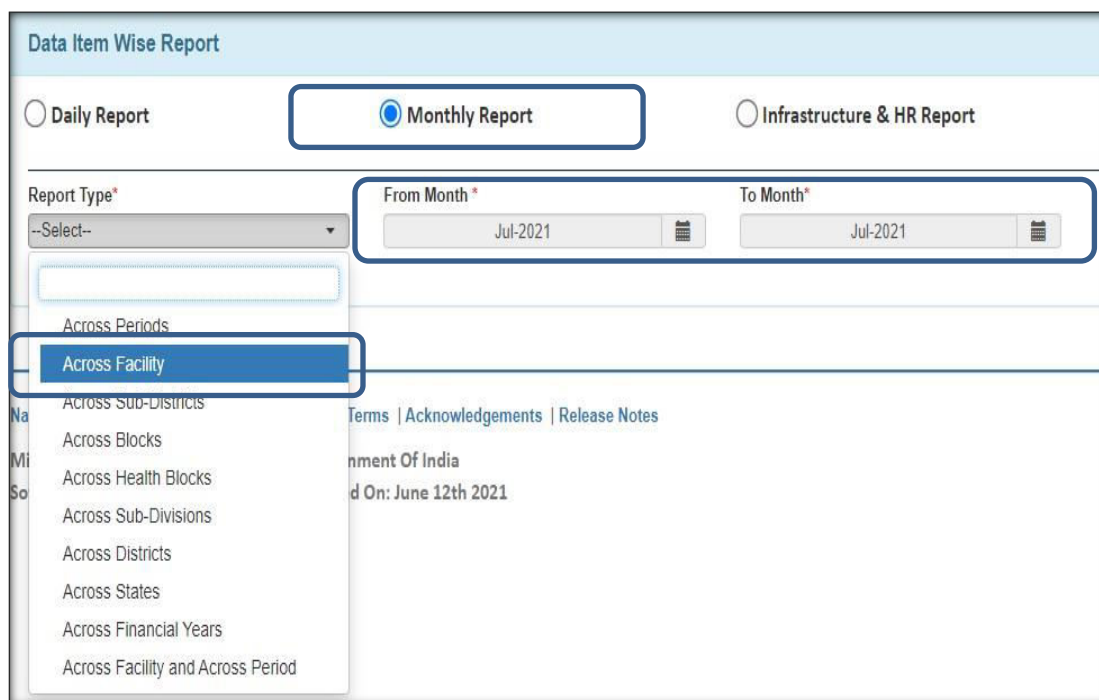

STEP 2: In the scroll down menu of reports tab, **click data item wise report**
